

"It matters how I present myself when I represent more than myself."

As a member of the Boardworks Diving Academy Society, I adopt the Diving Plongeon Canada and BC Diving Conduct Policies in their entirety, to prevent and address mistreatment in sport. All members of the Academy must follow the BC Diving Conduct Policy with Disciplinary Procedures.

****This Code applies to all organizational participants****

As an athlete representing the Academy, I will:

1. Embrace the highest ideals of sportsmanship, ethical conduct, and fair play.
2. Show fairness, honesty, integrity and respect to all athletes, officials, teammates, parents, and coaches while demonstrating appropriate behavior at all times.
3. Respect the property of others and facilities, and not willfully cause damage.
4. Dedicate myself to being a student-athlete, while in school.
5. Be aware that nothing worthwhile is accomplished without hard work and the sincere desire to succeed. This means trying to attend all practices and sometimes sacrificing outside extra-curricular activities.
6. Treat my coaches with respect and discourage fellow athletes from challenging the coach's authority.
7. Refrain from the use of language or actions that degrade, bait, discriminate, and/or intimidate others or myself.
8. Thoroughly understand and uphold the rules of the sport.
9. Value and respect different points of views, from both teammates and coaches.
10. Agree that use of drugs and alcohol are strictly prohibited when representing the Academy in any capacity.
